Temperance Lecture

Jack once attended a Temperance lecture given by Scotland's top medical man, a noted anti-drink campaigner.

The speaker began by placing a live, wriggling worm in a glass of whisky. After a moment or two it died and sank to the bottom.

The speaker said quietly to the audience, "Now my friends, what does this tell us?"

Jack piped up, "If you drink whisky you'll not be bothered by worms!"

First Guy (proudly): "My wife's an angel!"

Second Guy: "You're lucky, mine's still alive."

An eyeful a day keeps the doctor away

By JONATHAN HAYTER

STARING at women's breasts is good for men's health and makes them live longer, a new survey reveals.

Researchers have discovered that a 10 minute ogle at women's breasts is as healthy as half-an-hour in the gym.

A five-year study of 200 men found that those who enjoyed a longing look at busty beauties had lower blood pressure, less heart disease and slower pulse rates compared to those who did not get their daily eyeful.

Dr. Karen Weatherby, who carried out the German study, wrote in the New England Journal of Medicine: "Just 10 minutes of staring at the charms of a well endowed female is roughly equivalent to a 20 minute aerobics workout."

"Sexual excitement gets the heart pumping and improves blood circulation."

"There is no question that gazing at breasts makes men healthier."

"Our study indicates that engaging in this activity a few minutes daily cuts the risk of a stroke and heart attack in half."

"We believe that by doing so consistently, the average man can extend his life four to five years."

THE DENTIST

THEN THERE'S THE WOMAN WHO GOES TO THE DENTIST. AS HE LEANS OVER TO BEGIN WORKING ON HER, SHE GRABS HIS CROTCH.

THE DENTIST SAYS, "MADAM, I BELIEVE YOU'VE GOT A HOLD OF MY PRIVATES."

THE WOMAN REPLIES, "YES. NOW, WE'RE GOING TO BE CAREFUL NOT TO HURT EACH OTHER, AREN'T WE."

The Great Writer

There was once a young man who, in his youth, professed his desire become a great writer.

When asked to define "great" he said, "I want to write stuff that the whole world will read, stuff that people will react to on a truly emotional level, stuff that will make them scream, cry, howl in pain and anger!"

He now works for Microsoft, writing error messages.

"Germany is filing a war crimes lawsuit against Secretary of Defense Donald Rumsfeld for allegedly allowing the torture of prisoners in Iraq and Guantanamo Bay. Man, that's when you know you've crossed the line — when Germans are accusing you of war crimes." — Jay Leno

The new Supermarket near our house has an automatic water mister to keep the produce fresh. Just before it goes on, you hear the sound of distant thunder and the smell of fresh rain.

When you approach the milk cases, you hear cows mooing and witness the scent of fresh hay.

When you approach the egg case, you hear hens cluck and cackle and the air is filled with the pleasing aroma of bacon and eggs frying.

The veggie department features the smell of fresh buttered corn.

I don't buy toilet paper there any more.

A flight attendant was stationed at the departure gate to check tickets.
As a man approached, she extended her hand for the ticket and he opened his trench coat and flashed at her.
Without missing a beat....she said, "Sir, I need to see your ticket not your stub."

- Your ugly.
- And you're drunk.
- Yes, but in the morning I'll be sober!

Signs You've Had Too Much To Drink

Redneck's Hot Date

A redneck goes to a drug store and says to the pharmacist: "I got a hot date tonight, an' I need me some pertection. How much is a pack a' them rubbers gonna cost me?"

The pharmacist responds: "A three-pack of condoms is \$4.99 with tax."

"TACKS!" the shocked redneck says. "Gawd a' mighty, don't they stay on by themselves?"

Little Johnny at the Beach

Little Johnny is down at a popular secluded beach, the south end of which permits nude bathing. After much wandering around with wide-eyed wonder, Little Johnny approaches his father and says, "Dad, why do some men have little cocks, and other men have big cocks?" Taken aback, but quick with an answer, the well endowed father replies, "Well son, it's like this. All the men with big cocks are really smart, and all of the men with small cocks are dumb bastards!" Little Johnny nods, and pauses to digest this new information. Dad says, "Where's your mom?" Little Johnny replies, "She's down behind the bushes with some dumb guys, but they're getting smarter by the minute!"

POLICE OFFICER

A man who is driving a car is stopped by a police officer.

Officer: "You were going at least 75 in a 55 zone."

Man: "No sir, I was going 60."

Wife: "Oh, Harry. You were going 80."

Officer: "I'm also going to give you a ticket for your broken tail light."

Man: "Broken tail light? I didn't know about a broken tail light!"

Wife: "Oh Harry, you've known about that tail light for weeks."

Officer: "I'm also going to give you a citation for not wearing your seat belt."

Man: "Oh, I just took it off when you were walking up to the car."

Wife: "Oh, Harry, you never wear your seat belt."

Man turns to his wife and yells: "Shut your damn mouth!"

Officer turns to the woman and asks, "Ma'am, does your husband talk to you this way all the time?"

Wife: "No, only when he's drunk."

**YOU MUST BE AT LEAST THIS TALL
TO ENJOY THIS RIDE**

A man walks into a bar and sees the most beautiful babe sitting at the end of the bar. When he takes a closer look, he notices that the skin tight jeans she's wearing have no zipper or buttons. He walks over to her and asks, "With no zippers or buttons, how do you get your jeans off?" She replies "For starters, you could buy me a drink."

"The problem with the designated driver program, it's not a desirable job, but if you ever get sucked into doing it, have fun with it. At the end of the night, drop them off at the wrong house."

WITHOUT FORGETTING TO:

45. give her compliments regularly
46. love shopping
47. be honest
48. be very rich
49. not stress her out
50. not look at other girls

AND AT THE SAME TIME, YOU MUST ALSO:

51. give her lots of attention, but expect little yourself
52. give her lots of time, especially time for herself
53. give her lots of space, never worrying about where she goes

IT IS VERY IMPORTANT:

54. Never to forget:
 - * birthdays
 - * anniversaries
 - * arrangements she makes

Q: Which day of the week do chickens hate most?

A: Fry-day!

Life Before the Computer

An application was for employment.

A program was a TV show.

A cursor used profanity.

A keyboard was a piano.

Memory was something that you lost with age.

A CD was a bank account.

If you had a 3 1/4 inch floppy, you hoped nobody found out!

Compress was something you did to garbage, not something you did to a file.
And if you unzipped anything in public, you'd be in jail for awhile!

Log on was adding wood to a fire.
Hard drive was a long trip on the road.
A mouse pad was where a mouse lived.
And a backup happened to your commode!

Cut - you did with a pocket knife.

Paste you did with glue.

A web was a spider's home.

And a virus was the flu!

I guess I'll stick to my pad and paper, and the memory in my head. I hear nobody's been killed in a computer crash, but when it happens they wish they were dead!

Why is Alabama the smartest state in the USA?

Because it has 4 A's and one B!

KIDS UNDERSTAND LOVE

Since a very long time ago, people have searched for the meaning of love. But even the great philosophers, with their profound definitions, could not fully touch its true essence. In a survey of 4-8 year olds, kids share their views on love. But what do little kids know about love? Read on and be surprised that despite their young and innocent minds, kids already have a simple but deep grasp of that four-letter word.

- "Love is when a girl puts on perfume and a boy puts on shaving cologne and they go out and smell each other."
- "Love is when you go out to eat and give somebody most of your French fries without making them give you any of theirs."
- "Love is when someone hurts you. And you get so mad but you don't yell at him because you know it would hurt his feelings."
- "Love is when my mommy makes coffee for my daddy and she takes a sip before giving it to him, to make sure the taste is OK."

- "Love is when you tell a guy you like his shirt, then he wears it everyday."
- "Love is if you hold hands and sit beside each other in the cafeteria. That means you're in love. Otherwise, you can sit across from each other and be okay."
- "Love is when mommy sees daddy smelly and sweaty and still says he is handsomer than Robert Redbird."
- "I know my older sister loves me because she gives me all her old clothes and has to go out and buy new ones."
- "When you love somebody, your eyelashes go up and down and little stars come out of you."
- "You can break love, but it won't die."

UNIQUE DEFENSE FOR A UNIQUE PERSON

A lawyer defending a man accused of burglary tried this creative defense:

"My client merely inserted his arm into the window and removed a few trifling articles. His arm is not himself, and I fail to see how you can punish the whole individual for an offense committed by his limb."

"Well put," the judge replied. "Using your logic, I sentence the defendant's arm to one year's imprisonment. He can accompany it or not, as he chooses."

The defendant smiled. With his lawyer's assistance he detached his artificial limb, laid it on the bench, and walked out.

"Big news out of Iraq. The verdict in the Saddam Hussein trial is expected to be given this Sunday. If the verdict is guilty, Saddam could be hanged. If he's found innocent, Saddam's going to move to Florida and play golf with O.J."

—Conan O'Brien

A police recruit was asked on an exam, "What would you do if you had to arrest your own mother?" In the blank, he wrote, "Call for backup."

WHO GETS THE MAN OF THE YEAR AWARD?

CHEMICAL ANALYSIS OF HUMAN ELEMENTS

Element name: WOMAN

Symbol: WO

Atomic weight: 'Don't even go there'

Physical properties: Generally round in form. Boils at nothing and may freeze at any time. Melts whenever treated properly. Very bitter if not used well.

Chemical properties: Very active. Highly unstable. Possesses strong affinity to gold, silver, platinum, and precious gemstones. Violent when left alone. Able to absorb great amounts of exotic food. Turns slightly green when placed next to a better specimen.

Usage: Highly ornamental. An extremely good catalyst for dispersion of wealth. Probably the most powerful income reducing agent known.

Caution: Highly explosive in inexperienced hands.

Element name: MAN

Symbol: XY

Atomic weight: (180 +/- 50).

Physical properties: Solid at room temperature. Gets bent out of shape easily. Fairly dense and sometimes flaky. Difficult to find a pure sample. Due to age and rust, older samples are unable to conduct electricity as well as younger samples.

Chemical properties: Attempts to bond with WO any chance it can get. Also tends to form strong bonds with itself. Becomes explosive when mixed with Kd (child) for prolonged periods of time. Can be neutralized by saturating with alcohol.

Usage: None known. Possibly good methane source.

Caution: In the absence of WO, this element rapidly decomposes and begins to smell.

Baseball in Heaven

Two old men had been best friends for years, and they both live to their early 90's, when one of them suddenly falls deathly ill. His friend comes to visit him on his deathbed, and they're reminiscing about their long friendship, when the dying man's friend asks, "Listen, when you die, do me a favor. I want to know if there's baseball in heaven."

The dying man said, "We've been friends for years, this I'll do for you." And then he dies.

A couple days later, his surviving friend is sleeping when he hears his friend's voice. The voice says, "I've got some good news and some bad news. The good news is that there's baseball in heaven."

"What's the bad news?"

"You're pitching on Wednesday."

THROWING DOLLARS

A TOUR GUIDE WAS SHOWING A TOURIST AROUND WASHINGTON, D. C. THE GUIDE POINTED OUT THE PLACE WHERE GEORGE WASHINGTON SUPPOSEDLY THREW A DOLLAR ACROSS THE POTOMAC RIVER.

"THAT'S IMPOSSIBLE," SAID THE TOURIST. "NO ONE COULD THROW A COIN THAT FAR!"

"YOU HAVE TO REMEMBER," ANSWERED THE GUIDE. "A DOLLAR WENT A LOT FARTHER IN THOSE DAYS."

GOD THE PARENT

Whenever your kids are out of control, you can take comfort from the thought that even God's omnipotence did not extend to God's kids.

After creating heaven and earth, God created Adam and Eve. And the first thing He said to them was: "Don't."

"Don't what?" Adam asked.

"Don't eat the Forbidden Fruit."

God replied.

"Forbidden fruit? We got Forbidden Fruit? Hey, Eve..we got Forbidden Fruit!"

"No way!"

"Where?"

"Don't eat that fruit!" said God.

"Why?"

"Because I am your Creator and I said so!" said God, wondering why he hadn't stopped after making the elephants.

A few minutes later God saw the kids having an apple break and was angry.

"Didn't I tell you not to eat that fruit?" the 'First Parent' asked.

"Uh huh," Adam

replied.

"Then why did you?"

"I dunno,"

Eve answered.

"She

started it!" Adam said.

"Did not!"

"DID so!"

"DID NOT!"

Having had it with the two of them, God's punishment was that Adam and Eve should have children of their own...thus the pattern was set, and it has never changed.

Two guys are quietly sitting in a boat fishing and quietly sucking down a few beers when suddenly Mel says, "I think I'm going to divorce my wife - she hasn't spoken to me in over 2 months."

Sal slowly sips his beer and says, "You better think it over...women like that are hard to find."

"Mmm! What I like best is this bread the turkey ate!"

TEEN AGE SEX:

The mother of a 17-year-old girl was concerned that her daughter was having sex. Worried the girl might become pregnant and adversely impact the family's status, she consulted the family doctor.

The doctor told her that teenagers today were very willful and any attempt to stop the girl would probably result in rebellion. He then told her to arrange for her daughter to be put on birth control and until then, talk to her and give her a box of condoms.

Later that evening, as her daughter was preparing for a date, the woman told her about the situation and handed her a box of condoms.

The girl burst out laughing and reached over to hug her mother saying: "Oh Mom! You don't have to worry about that! I'm dating Susan!"

Pancakes

Brenda and Steve took their six-year-old son to the doctor. With some hesitation, they explained that although their little angel appeared to be in good health, they were concerned about his rather small penis.

After examining the child, the doctor confidently declared, "Just feed him pancakes. That should solve the problem."

The next morning when the boy arrived at breakfast, there was a large stack of warm pancakes in the middle of the table.

"Gee, Mom," he exclaimed. "For me?"

"Just take two," Brenda replied. "The rest are for your father."

Here is a new way to prepare your Thanksgiving turkey...

1. Cut out aluminum foil in desired shapes.
- 2 Arrange the turkey in the roasting pan, position the foil carefully.
3. Roast according to your own recipe and serve.
4. Watch your guest's faces...

"I RECENTLY READ THAT LOVE IS ENTIRELY A MATTER OF CHEMISTRY. THAT MUST BE WHY MY WIFE TREATS ME LIKE TOXIC WASTE."
- DAVID BISSETT

A POLICE OFFICER STOPPED A MOTORIST

A POLICE OFFICER STOPPED A MOTORIST WHO WAS SPEEDING DOWN MAIN STREET. "BUT OFFICER," THE MAN BEGAN "I CAN EXPLAIN."

"JUST BE QUIET," SNAPPED THE OFFICER. "I'M GOING TO LET YOU COOL YOUR HEELS IN JAIL UNTIL THE CHIEF GETS BACK."

"BUT, OFFICER, I JUST WANTED TO SAY,"

"AND I SAID TO KEEP QUIET! YOU'RE GOING TO JAIL!"

A FEW HOURS LATER THE OFFICER LOOKED IN ON HIS PRISONER AND SAID, "LUCKY FOR YOU THAT THE CHIEF'S AT HIS DAUGHTER'S WEDDING... HE'LL BE IN A GOOD MOOD WHEN HE GETS BACK."

"DON'T COUNT ON IT," ANSWERED THE FELLOW IN THE CELL. "I'M THE GROOM."

Smart Ass Answer #4:

A lady was picking through the frozen turkeys at the grocery store, but she couldn't find one big enough for her family. She asked a stock boy, "Do these turkeys get any bigger?"

The stock boy replied, "No ma'am, they're dead."

THE GOOD NAPKINS...ahhhhh... the joys of having girls...

My mother taught me to read when I was four years old (her first mistake).

One day, I was in the bathroom and noticed one of the cabinet doors was ajar. I read the box in the cabinet. I then asked my mother why she was keeping 'napkins' in the bathroom. Didn't they belong in the kitchen? Not wanting to burden me with unnecessary facts, she told me that those were for "special occasions" (her second mistake).

Now fast forward a few months....It's Thanksgiving Day, and my folks are leaving to pick up my uncle and his wife for dinner. Mom had assignments for all of us while they were gone. Mine was to set the table.

When they returned, my uncle came in first and immediately burst into laughter. Next came his wife who gasped, then began giggling. Next came my father, who roared with laughter. Then came Mom, who almost died of embarrassment when she saw each place setting on the table with a "special occasion" Kotex napkin at each plate, with the fork carefully arranged on top. I had even tucked the little tail in so they didn't hang off the edge!! My mother asked me why I used these and, of course, my response sent the other adults into further fits of laughter. "But, Mom, you said they were for special occasions!!!"

Isn't it easier to just tell the truth???????????

DOUBLE DEATH

A BLONDE GOES INTO WORK ONE MORNING CRYING HER EYES OUT. HER BOSS, CONCERNED ABOUT ALL HIS EMPLOYEES' WELL BEING, ASKED SYMPATHETICALLY, "WHAT'S THE MATTER?"

THE BLONDE REPLIES, "EARLY THIS MORNING I GOT A PHONE CALL SAYING THAT MY MOTHER HAD PASSED AWAY."

THE BOSS, FEELING VERY SORRY AT THIS POINT, EXPLAINS TO THE YOUNG GIRL. "WHY DON'T YOU GO HOME FOR THE DAY, WE AREN'T TERRIBLY BUSY. JUST TAKE THE DAY OFF TO RELAX AND REST."

THE BLONDE VERY CALMLY STATES, "NO, I'D BE BETTER OFF HERE. I NEED TO KEEP MY MIND OFF IT AND I HAVE THE BEST CHANCE OF DOING THAT HERE."

THE BOSS AGREES AND ALLOWS THE BLONDE TO WORK AS USUAL. "IF YOU NEED ANYTHING, JUST LET ME KNOW"

WELL, A FEW HOURS PASS AND THE BOSS DECIDES TO CHECK ON THE BLONDE. HE LOOKS OUT OVER HIS OFFICE AND SEES THE BLONDE HYSTERICALLY CRYING!! HE RUSHES OUT TO HER, ASKING, "WHAT'S SO BAD NOW. ARE YOU GONNA BE OK?"

"NO!" EXCLAIMS THE BLONDE. "I JUST GOT A CALL FROM MY SISTER. SHE TOLD ME THAT HER MOM DIED TOO!!"

"Some people ask the secret of our long marriage. We take time to go to a restaurant two times a week. A little candlelight, dinner, soft music and dancing. She goes Tuesdays, I go Fridays."

- Henny Youngman

A couple had been married for 50 years. They were sitting at the breakfast table one morning when the wife says, "Just think, fifty years ago we were sitting here at this breakfast table together."

"I know," the old man said. "We were probably sitting here naked as a jaybird fifty years ago."

"Well," Granny snickered. "Let's relive some old times." Where upon, the two stripped to the buff and sat down at the table. "You know, honey," the little old lady breathlessly replied, "My nipples are as hot for you today as they were fifty years ago."

"I'm not surprised," replied Gramps. "One's in your coffee and the other is in your oatmeal."

World's Best Divorce Letter

Dear Connie,

I know the counselor said we shouldn't contact each other during our "cooling off" period, but I couldn't wait anymore. The day you left, I swore I'd never talk to you again. But that was just the wounded little boy in me talking. Still, I never wanted to be the first one to make contact. In my fantasies, it was always you who would come crawling back to me. I guess my pride needed that.

But now I see that my pride has cost me a lot of things. I'm tired of pretending I don't miss you. I don't care about looking bad anymore. I don't care who makes the first move as long as one of us does. Maybe it's time we let our hearts speak as loudly as our hurt. And this is what my heart says: There's no one like you, Connie. I look for you in the eyes and breasts of every woman I see, but they're not you. They're not even close. Two weeks ago, I met this girl at Flamingos and brought her home with me. I don't say this to hurt you, but just to illustrate the depth of my desperation. She was young, maybe 19, with one of those perfect bodies that only youth and maybe a childhood spent ice skating can give you. I mean, just a perfect body. Tits like you wouldn't believe and an ass that just wouldn't quit. Every man's dream, right? But as I sat on the couch being blown by this stunner, I thought, look at the stuff we've made important in our lives. It's all so superficial. What does a perfect body mean? Does it make her better in bed? Well, in this case, yes, but you see what I'm getting at. Does it make her a better person? Does she have a better heart than my moderately attractive Connie? I doubt it. And I'm never really thought of that before. I don't know, maybe I'm just growing up a little. Later, after I've tossed her about a half a pint of throat yogurt, I found myself thinking, "Why do I feel so drained and empty?" It wasn't just her flawless technique or her slutty, shameless hunger, but something else. Some nagging feeling of loss. Why did it feel so incomplete? And then it hit me. It didn't feel the same because you weren't there to watch. Do you know what I mean? Nothing feels the same without you. Jesus, Connie, I'm just going crazy without you. And everything I do just reminds me of you.

Do you remember Carol, that single mom we met at the Holiday Inn lounge last year? Well, she dropped by last week with a pan of lasagna. She said she figured I wasn't eating right without a woman around. I didn't know what she meant till later, but that's not the real story. Anyway, we had a few glasses of wine and the next thing you know, we're banging away in our old bedroom. And this tart's a total monster in the sack. She's giving me everything, you know, like a real woman does when she's not hung up about her weight or her career and whether the kids can hear us. And all of a sudden, she spots that tilting mirror on your grandmother's old vanity. So she puts it on the floor and we straddle it, right, so we can watch ourselves. And it's totally hot, but it makes me sad, too. Cause I can't help thinking, "Why didn't Connie ever put the mirror on the floor? We've had this old vanity for what, 14 years, and we never used it as a sex toy."

Saturday, your sister drops by with my copy of the restraining order. I mean, Vicky's just a kid and all, but she's got a pretty good head on her shoulders and she's been a real friend to me during this painful time. She's given me lots of good advice about you and about women in general. She's pulling for us to get back together, Connie, she really is. So we're doing Jell-O shots in a hot bubble bath and talking about happier times. Here's this teenage girl with the same DNA as you and all I can do is think of how much she looked like you when you were 18. And that just about makes me cry. And then it turns out Vicky's really into the whole anal thing, that gets me to thinking about how many times I pressured you about trying it and how that probably fuelled some of the bitterness between us. But do you see how even then, when I'm thrusting inside your baby sister's cinnamon ring, all I can do is think of you. It's true, Connie. In your heart you must know it. Don't you think we could start over? Just wipe out all the grievances away and start fresh? I think we can.

If you feel the same please, please, please let me know.

Otherwise, can you let me know where the god damn remote is.

Love,

Chris

THINGS I HAVE LEARNED LIVING IN ALABAMA :

1. Possums sleep in the middle of the road with their feet in the air
2. There are 5,000 types of snakes and 4,998 live in ALABAMA .
3. There are 10,000 types of spiders. All 10,000 live in ALABAMA plus a couple no one's seen before.
4. If it grows, it sticks; if it crawls, it bites.
5. Onced and twiced are words.
6. It is not a shopping cart; it is a buggy.
7. Fire ants consider your flesh as a picnic.
8. People actually grow and eat okra.
9. Fixinto is one word.
10. There is no such thing as "lunch". There is only dinner and then there is supper.
11. Ice tea is appropriate for all meals and you start drinking it when you're two. We do like a little tea with our sugar!
12. Backards and forwards means "I know everything about you."

13. Jeet? is actually a phrase meaning "Did you eat?" Y'ontoo? Means "do you want to?"
14. You don't have to wear a watch because it doesn't matter what time it is. You work until you're done or it's too dark to see.
15. You don't PUSH buttons, you MASH them.

YOU KNOW YOUR FROM ALABAMA IF:

1. You measure distance in minutes.
2. You've ever had to switch from "heat" to "A/C" in the same day.
3. You use "fix" as a verb. Example: "I'm fixin' to go to the store."
4. All the festivals across the state are named after a fruit, vegetable, grain, insect or animal.
5. You install security lights on your house and garage and leave both unlocked.
6. You know what a "DAWG" is.
7. You carry jumper cables in your car...for your OWN car.

DIARY OF A SIX DAY BAHAMAS CRUISE

DEAR DIARY...DAY ONE

I am all packed and ready to get on the cruise ship. I've packed all my pretty dresses and make-up. I'm really excited.

DEAR DIARY...DAY TWO

We spent the entire day at sea. It was beautiful and we saw some whales and dolphins. What a wonderful vacation this has started to be. I met the Captain today and he seems like a very nice man.

DEAR DIARY...DAY THREE

I spent some time in the pool today. I also did some shuffle boarding and hit some golf balls off the deck. The Captain invited me to join him at his table for dinner. I felt honored and we had a wonderful time. He is a very attractive and attentive gentleman.

DEAR DIARY...DAY FOUR

Went to the ship's casino, did OK, won about \$80. The Captain invited me to have dinner with him in his state room. We had a luxurious meal complete with caviar and champagne. He asked me to stay the night but I declined. I told him there was no way I could be unfaithful to my husband.

DEAR DIARY...DAY FIVE

Went back to the pool today and got a little sunburned. I decided to go to the piano bar and spend the rest of the day inside. The Captain saw me and bought me a couple of drinks. He really is a charming gentleman. He again asked me to visit him for the night and again I declined. He told me that if I didn't let him have his way with me he would sink the ship. I was appalled.

DEAR DIARY...DAY SIX

I saved 1600 lives today. Twice.

Hunting Flies

A woman walked into the kitchen to find her husband stalking around with a fly swatter.

"What are you doing?" she asked.

"Hunting Flies," he responded.

"Oh!, Killed any?" she asked.

"Yep, 3 males, 2 Females," he replied.

Intrigued, she asked. "How can you tell?"

He responded, "3 were on a beer can, 2 were on the phone."

URINE-DRINKING HOT IN CHINESE VILLAGE

SHANGHAI, China (UPI) — Drinking one's own urine for health benefits is catching on in a Chinese village where one proponent has one-quarter of the 1,600 residents following suit.

In 1993, Du Ximin, 50, was one of five people who formed a health-care research center promoting drinking urine to stay healthy and a China Central Television report says it's grown from five to 400 people.

Du said there are simple principles, such as followers must drink small amounts only of their own urine and drink only the upper portion after a cup has been allowed to settle and cool, the Shanghai Daily reported.

The CCTV report said as many as 10 million people in China sip urine for health benefits, mainly in Shaanxi, Liaoning and Guangdong provinces.

Du said there are exceptions to the practice — boys younger than 12 years old and girls under 16 should avoid it, as he claimed it can make the youths reach sexual maturity too early, the report said.

COUPLE WANTS GLOBAL ORGASMS FOR PEACE

SAN FRANCISCO (UPI) — A Southern California houseboat-dwelling couple has suggested world peace might be achieved if everyone in the world had an orgasm on Dec. 22.

Anti-war activists Donna Sheehan, 76, and her partner, Paul Reffel, 55, are veterans at generating attention for peace, as they did in 2002 before the Iraq invasion, when they and dozens of friends stripped naked and laid down in a Marin County field to spell out the word "peace," the San Francisco Chronicle reported.

Sheehan is calling the venture the Global Orgasm for Peace event and said it doesn't matter what time of day the event occurs and nor does it matter if people don't have partners, the report said.

The couple said the way to show others of your participation is the global "OK" sign and a wink.

Whether the positive vibrations have any effect on hostilities remains to be seen, but U.S. Geological Survey spokeswoman Stephanie Hanna said there was no chance the energy would register seismically either, the newspaper said.

"The filters we have screen out any man-made activity, like a truck rolling past, or, uh, the activity you described," Hanna said.

The Ramses brand condom is named after the great phaoroh Ramses II, who fathered over 160 children.

IN-FLIGHT FOREPLAY LEADS TO FBI CHARGES

RALEIGH, N.C. (UPI) — A California couple who repeatedly refused requests to stop engaging in foreplay on a flight to Raleigh, N.C., faces federal interference charges.

The incident aboard a Southwest Airlines flight from Los Angeles to Raleigh with a stop in Phoenix happened on Sept. 15, when passengers complained about the couple groping, kissing passionately and contorting into questionable positions in their seats, the Raleigh (N.C.) News & Observer reported Tuesday.

Flight attendants told FBI agents they asked the couple to stop several times, and finally stopped serving them alcohol.

The woman allegedly told one flight attendant: "You and I are gonna have some serious confrontation when we get off this plane," while the prosecution affidavit alleges the man called a flight attendant a "punk" for refusing them bar service.

Ages were not given for Carl Persing and Dawn Sewell, who will appear in federal court on Dec. 11 in Wilmington, N.C., on charges of harassing a flight attendant.

Neither of them nor their lawyers responded to telephone calls from the newspaper, the report said.

ROBIN HOOD IMITATORS CAUSE N.Y. UPROAR

NEW YORK (UPI) — Three men dressed as Robin Hood and his merry men caused a near riot in New York's Washington Square Park when they threw \$1,000 into the air.

The trio, who call themselves the Modern Day Robin Hoods, threw hundreds of \$1 and \$5 bills up in the air Saturday at the New York park, causing several individuals to resort to violence in an effort to grab some cash, said the New York Post.

The British men entered the park and quickly garnered everyone's attention by using a bullhorn.

"There's a real lack of courtesy in the world," said one of the trio, identified only as Daniel, prior to releasing the funds. "The world would be a better place if people were more courteous, but the English are very skeptical, so we decided to come to New York."

After causing the uproar, which the Post said resulted in no major injuries, the three men ran arm in arm to a nearby taxi and left the area.

Teatime love bite

A WOMAN almost bit off her husband's willy as he cooked pancakes for tea — while she gave him oral sex.

In the heat of passion he lost his grip on the pan and spilt boiling oil down her naked back.

She clenched her teeth on his willy and in agony he bashed her on the head with the pan.

Both only admitted how they received their injuries after "intense questioning" by hospital docs in Carioca, Romania.

The man needed treatment to his willy while the wife had burns, two black eyes and a broken cheek bone.

U.K. TIRE-SLASHER TARGETS CELL PHONE USERS

GOSPORT, England (UPI) — Police in southern England are looking for a vigilante who has slashed the tires of at least 20 people who were driving while talking on cell phones.

The overnight attacks have been taking place around Gosport, near Southampton for several weeks, and the culprit leaves a reprimand made from words cut out of newspapers on the windshields, The Telegraph reported.

“Warning. You have been seen driving while using your mobile phone,” each note said.

Inspector Kevin Cuffe told The Telegraph it’s believed the vandal was involved in an accident associated with a driver talking on a cell phone. He said it also appears the slasher seems to be using license plate information to track down the offending drivers’ home addresses.

In Britain, it is illegal to use a cell phone while driving under any circumstances, the newspaper said.

POLAND TODDLER DRIVES OVER GRANDMOTHER

WARSAW, Poland (UPI) — A 2-year-old boy climbed into his father’s car, started the engine and ran over his grandmother in a house courtyard in southeastern Poland, police said.

The boy was playing in the courtyard when he got into the car and switched on the engine. The car was already in gear, and it lurched forward, hitting and running over the 68-year-old grandmother. The woman died of her injuries, Belgrade’s FoNet news agency reported Tuesday.

The boy’s father was watching but said he was so drunk he couldn’t move to save his mother, the report said.

NAKED MAN CARRYING CONCEALED TOOL

EL CERRITO, Calif. (UPI) — A Southern California man newly released from prison is facing charges of being naked in public and having a 6-inch awl concealed in his backside.

Police in El Cerrito, Calif., were summoned Thursday morning with reports of a naked man masturbating on a tree stump near a rapid transit stop, the Contra Costa Times, a California newspaper, reported Monday.

Police located and arrested John Sheehan, 33, on a charge indecent exposure, and before seating him in a cruiser, Sgt. Paul Keith asked him if he had anything on him that police should know about.

Detective Don Horgan said Sheehan volunteered that he had a 6-inch awl wrapped in electrical tape in his anal cavity. Keith summoned the fire department, who declined to extricate the tool, and an ambulance was then called.

However, Horgan said Sheehan volunteered to remove the tool himself and did so at gunpoint. He offered no explanation as to why the awl was there, the report said.

Police added one felony count of possessing a concealed weapon to his arrest sheet, Horgan said.

THE ‘F-WORD’ GETS ITS OWN MOVIE

NEW YORK (UPI) — An independent filmmaker has produced a movie titled, and all about the history of the English language’s most vulgar “F-word,” the New York Post reported.

“I’ve always been intrigued with this one specific word that can be used in so many ways — as a noun, a verb or an exclamation,” filmmaker Steve Anderson told the newspaper.

The film traces the linguistic history of the word and offers thoughts on the word from such

diverse people as Miss Manners to porn star Ron Jeremy.

The movie also attained the dubious honor of containing the biggest number of uses of the F-word at more than 800, bumping out the previous record holder, Gary Oldman’s “Nil by Mouth,” which included it 428 times.

Marketing the work will be a challenge, as most newspapers and magazines won’t publish the film’s title, broadcasters will avoid it and many movie houses would be reluctant to put its title on a marquee, the Post said.

SNORERS WOULD TRADE ANYTHING FOR SLEEP

LONDON (UPI) — Shakespeare’s Richard III offered to trade his kingdom for a horse but researchers in Britain say most men would give anything for a good night’s sleep.

A survey of 1,700 adults for the organization Obstructive Sleep Apnea found 25 percent of men who snore would be willing to forego alcoholic beverages in exchange for sleep, the London Telegraph reports.

Another 30 percent indicated they’d be willing to stop watching football, while one in 16 respondents would be willing to take a 10 percent salary cut to sleep soundly.

Four percent of the survey participants offered to give up sex.

Persons suffering from sleep apnea briefly stop breathing as many as 100 times a night during sleep when their airways become obstructed.

“There is an increasingly and largely hidden OSA epidemic due to poor recognition by individuals and doctors,” says John Stradling, professor of respiratory medicine at Churchill Hospital in Oxford.

Key symptoms are snoring, daytime sleepiness and choking episodes at night.

♈ ♉ ♊ ♋ ♌ ♍ ♎ ♏ ♐ ♑ ♒ ♓

Sexy Horoscopes

♈ ♉ ♊ ♋ ♌ ♍ ♎ ♏ ♐ ♑ ♒ ♓

Aries: March 21- April 19

Aries just love head. They love head—literally! Aries rules the head and face, hence these folks appreciate having their faces, hair and scalps caressed. I'm thinking shampoo, I'm thinking facials (several kinds, actually), I'm thinking scalp massage . . . The foreplay potential is endless. Aries are also spontaneous and tend to take the lead, so to speak, during sex.

Taurus: April 20 - May 20

The erogenous zone for Taurus is the neck (and particularly the throat) area. Now, now, darlings . . . don't jump up and grab that spiked dog collar just yet! Taureans are also one of the more sensual signs, and they hate having their routines upset, so don't even think about doing any strangle-play with them without discussing it first, because they hate surprises, especially in bed. Instead, gently nibble, lick and kiss your Taurus' sensitive area and s/he'll be putty in your hands.

Gemini: May 21 - June 20

Those born under the sign of the twins are cerebral, responsive, and receptive to eroticism. Their arms and hands are extremely sensitive, so pay extra special attention to these areas as you tie your Gemini to the headboard. Geminis are also extremely tactile, so entice them into the bedroom with the promise of soft sheets and feather pillows.

Cancer: June 21 - July 22

Boobies! Cancerians, both male and female, adore having their breasts attended to. They can be shy, but once you get those nipples erect, the possibilities are endless. Cancer women generally favor tight-fitting shirts to accentuate their assets, and love having their melons squeezed while they cowgirl you. Cancer men shiver when you gently run your fingers over their chests and pinch their nipples.

Leo: July 23 - August 22

Like the cats in the jungle, Leos are feisty and passionate in the sack. They're into experimenting with new things, and although their sign rules the spine and back, they like their bodies to be worshipped in general . . . hmmm, that sounds like most of my playmates, but they weren't all Leos. I must bring out the lion in my sleepy-time compadres!

Virgo: August 23 - September 22

Virgos can seem serious and uptight, but get a couple drinks into them and they'll unwind like no other sign. Most of them are clean freaks, so forget about drunk party-nights on flea-bitten couches—they won't go for it. Aim for bubble baths or hot-tub sessions, and concentrate your tongue on their tummies.

Libra: September 23 - October 22

The erogenous zone for Libras is the butt and lower back, so for those of you who prefer to be on the giving end of back-door action, a Libra may be your perfect match. They also carry stress in these areas, so try a nice oil massage to relax them before you ignite their passions.

Scorpio: October 23 - November 21

Scorpio folks are intense and explosively sexual. Their erogenous zone is pretty easy to find and concentrate on during sex, because it is centered around the naughty bits. I can think of no real advice on how to handle a Scorpio's genitals, because pretty much anything you do will probably be just fine. But don't tease too much. They like anticipation but will become annoyed if you don't get to business in short order.

Sagittarius: November 22 - December 21

The sign of Sagittarius rules the hips, thighs and liver. It's pretty tough to think of ways to titillate the liver, even for me, but the hips and thighs? No problem. They prefer light, sensual touches rather than gruff grabs, so be gentle. Sagittarians are supposedly also endowed with long, lean legs. Use this to your advantage.

Capricorn: December 22 - January 19

Capricorns are stubborn and lively, and their special erotic areas are their knees. Bite the kneecaps, stroke the kneepit and go to town. Capricorns don't need much foreplay - you go from zero to WOW in nothing flat! Not interested in an exotic variation, only in staying power. Since you like to dominate, you like to set a rhythm and please yourself. Once into the rhythm, lovemaking becomes a wild contest with orgasm as the prize and you can depend on getting there more than once.

Aquarius: January 20 - February 18

Aquarians are hyper-sensitive around their calves and ankles, so kneel down and lick, suck, stroke and blow to your mouth's delight. Once aroused, anything goes! You are extremely imaginative and like trying new things. There is nothing in any sex manual that you won't try. Believe that anything that increases the pleasure for your partner is worthwhile.

Pisces: February 19 - March 20

Indulgent Pisces people love sex, and their erogenous zones are their feet, so if you get all hot and bothered about toe-sucking, you and a Pisces will get along perfectly. Methinks it rather amusing that the symbol for this sign involves fish, because fish don't have feet at all! Anyway, apparently Pisceans will also use their feet to enhance intimate moments, so if you're freaked out by the idea of a playmate masturbating you with his/her footsies, shame on you, you prude!

Escaped Convict

A man escapes from prison where he has been for 15 years. He breaks into a house to look for money and guns and finds a young couple in bed. He orders the guy out of bed and ties him to a chair, while tying the girl to the bed he gets on top of her, kisses her neck, then gets up and goes into the bathroom. While he's in there, the husband tells his wife: "Listen, this guy's an escaped convict, look at his clothes! He probably spent lots of time in jail and hasn't seen a woman in years. I saw how he kissed your neck." If he wants sex, don't resist, don't complain, do whatever he tells you. Satisfy him no matter how much he nauseates you. This guy is probably very dangerous. If he gets angry, he'll kill us. Be strong, honey. I love you."

To which his wife responds: "He wasn't kissing my neck. He was whispering in my ear. He told me he was gay, thought you were cute, and asked me if we had any Vaseline. I told him it was in the bathroom. Be strong honey. I love you too!!"
